

## ***Pumps specifications***

Pomptype	: 3" Diaphragm pump
Model	: AMT 335G-96
Capacity	: 20 m3
Head	: 7,5 mlc
Suction connection	: 3"
Discharge connection	: 3"

## ***Motors specifications***

Motor	: Gasoline
Type	: Honda GX 120
Cylinder	: 1
Cooling	: Air-cooled
Engine power	: 4 pk
RPM	: 3000
Transmission	: Directly via gearbox
Start method	: Recoil starter
Weight	: 65 kg

## ***Particularities***

- Dry selfpriming pump
- Compact en light
- Universal construction pump

## ***Applications***

- Pumping thick liquids (mud & sludge)
- Pumping sewage water
- Bronb milling & drain
- Slobber (Pumping water & airmixture)
